

# Things to bring to Nursery

## Bag / rucksack and spare clothes

Bring a set of spare clothes, socks and underwear to Nursery everyday in your bag.

## Snack

We have fruit in school for you to eat. We provide an additional snack and there is a small, voluntary charge of £1.50 per week to pay for this. This also pays for other items such as play dough and baking ingredients.

## Milk and water

You can have a drink of milk everyday. Water is also available all of the time.

## Woodland

We do lots of things outside in the Woodland, sometimes it is wet and muddy. Bring your wellington boots to keep in Nursery.
