## A NOTE FROM YOUR CHAIR, TRACEY

We are halfway through the school year and aware that we haven't introduced ourselves to our new parents!

We are the parents and teachers association for Eccleston Mere, our aim is to provide social and fun events for our children and their families whilst raising funds to enhance the education and social wellbeing of all at our school.

Events and activities are arranged throughout the year for the children along with their parents, grandparents, carers and friends.

## FUNDING

Over recent years, we have provided iPads, maths packages, sports equipment, an outdoor reading circle, visits from theatre groups and have enhanced playground equipment and markings.

So far, we have raised just over £11,000, and proud to say that we are contributing towards the purchase of a new trim trail, as well as other items.

## DATES FOR YOUR DIARY

Friday 24th March - Easter Bingo

Thursday 27th April - Y3/Y4 Disco

Friday 23rd June - Summer Fayre

## HOW CAN YOU HELP?

Supporting our events first and foremost!

We appreciate any help that is offered, no matter how small. One hour or 5, any time you can spare is welcomed, from Parents, to Grandparents, we are not fussy!

If you can help at an event, donate a raffle prize, or even provide your expertise in some way e.g. joinery, gardening, please contact us!

We always welcome ideas for ways we can raise money or suggestions for future events.

Thank you to everyone for your ongoing support, this enables us to provide our children with wonderful opportunities and experiences!
