The school with a heart that beats to everyone's tune'

With February now upon us, the school year reaches the half way stage. Pupils are currently immersed in their learning, whilst we continue to drive various changes within school, on our journey of constant improvement.

I would like to thank families for their continued support - if ever anything is needed, you can always find me on the rear doors of the school building each morning.

*Mr Mugan.*

## LIBRARY TIME

All of the children in school have really enjoyed using the library this week, as we promote reading for pleasure amongst pupils.

Following an initial PTA investment, we spent the money from the Readathon on a whole selection of wonderful books, furniture and magazines for our children to enjoy. Thank you to all of you for the support in raising money for our library. The children will be able to enjoy these resources for a long time to come. *Mrs Devine.*

## Y4- LOCAL WALK

Year 4 went on a fieldwork walk to explore how settlements change over time, as part of our Geography topic on Settlements. We explored historical imagery on Google Earth of Eccleston Mere School and the road that leads to Sainsburys. As we walked, we discussed why settlements need to change to reflect the changing population that lives in them. *Miss Kinsey*

## Y6 FOOTBALL COMPETITION

A huge congratulations to our Y6 football team who won their competition at Ruskin on Tuesday. The team remained undefeated throughout the tournament, only conceding one goal in 6 games. *Mr Helsby*

## FEBRUARY WHOLE-SCHOOL DISCO

A letter will be sent out on Monday with details of the whole school disco on 13th February.

The disco will operate as the October disco, with a quieter party for pupils in Nursery (3's), Reception, Year 1, Year 2 and Year 3.

## SCHOOL GRID

School Grid staff praised the organisation of our school office and the efforts / organisation of our parents, as School Grid started very smoothly in school. We remind parents to use the app to order upcoming meals.
